Professional Athlete Visit - 24th June 2022

Dear Parents / Carers,

We are delighted to announce that we will be having a professional athlete come into the school to deliver a presentation, PE and Q&A sessions! We have partnered with 'Sports for Champions' in delivering this experience and are excited to offer this to our pupils.

Together we are fundraising to help support both our school and the 'Sports for Champions' athletes; this is aiming to be done by raising money via sponsorship. Out of the money raised, the school will receive 60% and 'Sports for Champions' will receive 40%.

We understand and appreciate that as a school we have been organising various fundraisers and school visits this term, which is why we want to express that the sponsorship money is **voluntary** and is **not a requirement**. Regardless of the sponsorship money raised, each pupil will be taking part in the experience and will have the same opportunities to learn and grow from a professional athlete!

Yours sincerely,

Mr Vince
PE Lead Teacher
