Monday 12th September 2022

Dear Parents / Carers,

One of our aims this in year in Key Stage 1 is to use the outdoor environment we have at Lawnside Academy more to enhance our curriculum. We believe the outdoor environment is a rich and dynamic space for learning, allowing children to discover the real world with their senses. We also believe that being outside is vital for our pupils' physical health, social development and emotional well-being.

On Friday 21st October, Key Stage 1 are going to have an outdoor learning day. Children will spend most of the day outside using the outdoor environment for learning. The children will need to wear warm clothes with a coat or waterproof jacket. Depending on the weather, children may also need hats, scarves and gloves. We will be on the field for some of the activities therefore children will need to bring wellies or outdoor footwear.

We look forward to sharing with you some of the learning that has taken place on this day. Thank you for your continued support and if you have any questions, please speak with your child's class teacher.

Yours sincerely

Mrs Russell
