1st November 2022

Dear Parents / Carers of children in Hazel and Cherry classes,

Maths Day

Children will be involved a maths-focused day on:

Wednesday 30th November 2022 for Hazel Class

and on:

Friday 2nd December 2022 for Cherry Class

One of the activities will involve the children using 3D shapes to build and create something spectacular. To help us with this, we would like to ask that parents/carers, over the coming weeks, save any boxes, tubes, cartons etc. so that these can be brought into school on the day.

Examples may include:

- Cylinder – kitchen roll, Smarties tube, Pringles tube
- Cube - tissue box
- Pyramid - chocolate box
- Triangular Prism – Toblerone box
- Cone – party hat
- Cuboid – cereal box, shoe box

It would also be fantastic for the children to see a 3D printer in action. If anybody is able to help with this request, please speak with Mrs. Dawson.

Kind regards
Mrs. Dawson and the Year 1 team
