Science Week

Kapla Visit

The children (staff too!) had an incredible time when Kapla came to visit! They all concentrated, worked as a team and marvelled at their creations. The children had to be so careful when laying the next block. They were shown how to build using the blocks and how to make the construction stronger and more stable. The children made a village, a castle with a moat, a snake, octopi, giraffes and an incredible bridge. Knocking down their creations was just as much fun too!

Well done everyone!

Thank you

Thank you to Oliver and Samuel for sending in their 'Bridge Blunder' experiment.

Science winners!

We are pleased to announce that we have two winners of our science hamper!

Lola in Sycamore class won a hamper filled with science goodies and Abigail in Cherry class won two free tickets to Mead Open Farm. We hope that you enjoy your prizes!

Thank you for your continued support and I am looking forward to planning our next science week!

Kind regards,

Mrs Salvatore

Science Lead Teacher
