Wednesday 21st June 2023

Dear Parents/Carers,

Next week, we have all three of our sports day sessions. Please see the details below:

Tuesday 27th June: Reception – 9:30am to 11am

Wednesday 28th June: KS2 – 9:30am to 11am

Wednesday 28th June: KS1 – 1:30pm to 3pm

It would be great if you could make it to support your children and cheer them on during all of the activities!

If you are attending the KS1 sports afternoon you ARE able to take your child home once the events have finished, this also applies for their siblings. You will need to sign them out with their class teacher(s).

The sessions are split into three parts. The track on the field will be split into two (Track Side A and Track Side B) and the playground will be host to an array of sporting activities. The track activities are structured, whereas the playground activities are freer flowing.

Each class will be starting on either Track Side A, Track Side B or the playground.

Once each class has completed their activities, they will then move clockwise onto their next session.

On the playground, I would like to encourage you to take part in some activities with your children, while also giving them an opportunity to showcase what they have learnt this year – please dress appropriately!

Once your child's class is on the track events, please stand or sit behind the spectator line and cheer them on!

I am very excited to welcome you to our Sports Days, fingers crossed for the beautiful weather!

For the morning sessions, please stay on the playground after you have dropped your children off. For the afternoon session, the playground gates will be opened at 1:20pm. The gates will remain locked for the duration of the sports day sessions, for the safety and security of the children.

Many thanks

Mr Vince
