Monday 8th January 2024

Dear Parents and Carers,

This year, the RSPB are launching their annual winter birdwatch from 26th-28th January. We will be taking the children into our outdoor areas to spot and calculate which birds visit us. We thought that it would be a lovely idea if the Lawnside families could do the same at home. You could take part in your own garden or a local area.

Please visit the RSPB website for further information or see the attached about how to register and the tally sheet to record the birds. [Big Garden Birdwatch \(rspb.org.uk\)](http://rspb.org.uk)

We would also like it if the children could create some artwork, drawing or fact files on their favourite bird that they spot. We will use these for our Science display board to create a fabulous display of British birds in Biggleswade. If you manage to take some photos of the birds, please email them to zsalvtaore@bestacademies.org.uk

Thank you in advance for your support and we can't wait to see what birds visit Biggleswade.

Kind regards,

Mrs Z Salvatore
Science lead teacher
