

23rd January 2024

For our topic '**Frozen Planet**' we have read 'The Emperor's Egg' by Martin Jenkins, 'Penguin Huddle' by Ross Montgomery and 'The runaway iceberg' by Twinkl Originals.

We have also

- made a polar bear hand print
- sequenced the story of The Runaway Iceberg
- talked the emergency services in PHSE
- looked at the life cycle of a penguin
- been ice fishing in our science experiment
- rescued the animals from the ice
- made ice cupcakes
- in music we travelled to the Caribbean and learnt the Jamaican song 'Chi Chi bud Oh' playing the drums in music
- learnt to count to 10, using the ten frame to scaffold their counting to 10.

Kind Regards

Mrs Blackford, Mrs Dawson and all the reception team.

Making our polar bears

Fun with paints

Making Igloos and animals with lego

Independent learning and exploring

Fun with the ice

Ice fishing
