Dear Parents and Carers

For our topic 'mini-beasts and growing', our focus text has been 'The Hungry Caterpillar' by Eric Carle. We have also read 'Caterpillar, Butterfly' by Vivian French.

We have also:

- sequenced and written about the story of Oliver's Vegetables
- talked about our favourite vegetables
- made nature mini-beasts using the outside as our inspiration
- used vegetables for printing pictures of mini-beasts
- in maths, been looking at numerical patterns; odds and evens.

### *Fantastic writing inspired by the book Oliver's Vegetables*

### *Perfume making and vegetable printing*

*Making mini-beasts with natural resources*

Kind Regards  
Mrs Blackford, Mrs Dawson and all the reception team.
