

LKS2 Homework Autumn Term - due Wednesday 17th December 2025

This term we are learning about 'Why do people live near volcanoes?' and 'Electricity and Circuits'. We would like you to choose at least 3 tasks to complete from the ones below. Please have fun and be as inventive as you like!

Geography

Design a poster or make a model of a volcano using any medium you like. Be creative - can you make it erupt?

Maths

Times Tables: Choose one of the timetables to practise - find inventive ways to help you learn them - make a game, write them out, make up a song or rhyme to learn them or make flash cards. Remember to practise the division fact as well.

$$4 \times 2 = 8$$

$$8 \div 2 = 4$$

English

Can you write a poem about Winter?
This can be any form of poem, such as;

Acrostic
Shape
Limerick
Rhyming

sunflower

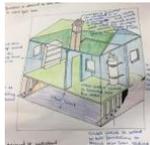

Online Safety Poster

Can you make a poster all about online safety?
Explain how to stay safe on the internet and gaming devices!

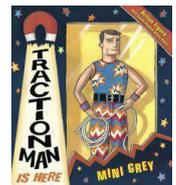

Earthquakes

Design an earthquake proof house. How could you prevent the building from collapsing during an earthquake?

Reading

In guided reading, we are looking at various books. Could you either choose your favourite book and write a book review or draw an alternative front cover for your book.

DT

Research and make a poster all about different types of helmets and their uses!

Think about sports, safety and work place! What can you find out?

Electrical Appliance Hunt

Can you go and find different electrical appliances around your home?
Do they run off of battery or mains power?

Draw a picture, take some photos or write what appliances you found and whether or not it uses battery or mains power. What does the appliance do?
