Dear Lawnside families,

I am excited to share all of the things we are doing over the next term to spark 'curiosity' in science. As I have already shared, a new Eco-Schools committee have been appointed and they are showing such enthusiasm!

### **Teddy Tombola**

We have only had 50 teddies donated this week and need another 250 so that we can buy three new benches! We will therefore postpone the Teddy Tombola until after the holidays. Please continue to bring teddies in. The Eco committee will have a very busy time naming them all!

### **Sublime Science**

We are so fortunate! BEST have fully funded Sublime Science to come in for the day, thank you. The children will be engaging in assemblies or workshops throughout the day. These experiences will spark curiosity as we help celebrate the Science Week theme of Curiosity.

### **David Attenborough's 100<sup>th</sup> birthday celebration**

It is David Attenborough's 100<sup>th</sup> birthday on May 8<sup>th</sup>. We will be celebrating him and his curiosity for the world by having a David Attenborough day. We will share more about this soon.

### **Wildlife Garden**

Are you a keen gardener? Could you spare a few hours?  
Do you have a surplus amount of plants or know someone that does?

We have a developing wildlife garden at the front of the school near the staff parking area. Last year, the Eco committee was able to sow wildflower seeds in the garden and we are hoping that they will grow stronger this year. We would really like some help in developing the area with some non-toxic plants and therefore would really appreciate some donations.

### **Lawnside Litter Pickers**

Next term, we will be helping to keep our school litter free and venturing out within our local community to help litter pick. Last year we were donated some amazing litter picking contraptions and we plan to put them to good use! If you could spare an hour, please let us know as we will need some additional adults to support us as we litter pick in our local area.

Thank you for your continued support,

Mrs Salvatore
