Dear Parents and Carers,

We are pleased to let you know that Key Stage 1 pupils will be taking part in an exciting **Wrap Making Workshop** on **Tuesday 5th May**, led by our school food provider, Stir Foods.

During the workshop, children will have the opportunity to learn about healthy eating and food preparation, as well as develop practical skills by making their own wraps. The session is designed to be fun, interactive, and educational, encouraging children to explore different ingredients and make balanced choices.

All ingredients will be provided, and the activity will take place during the school day. If your child has any food allergies or dietary requirements that the school is not already aware of, please inform the school office as soon as possible.

We are sure the children will enjoy this hands-on experience and gain valuable knowledge about preparing simple, healthy meals.

Thank you for your continued support.

Yours sincerely
KS1 Team
