

# THANK YOU & WELCOME

Dear **Parents, Carers & Staff**,

As we begin an exciting new chapter for Friends of Lawnside, we would like to extend our heartfelt **thanks to** our outgoing committee members, **Sara, Laura & Carys**. Their time, energy, and dedication have made a lasting impact on our school community. From organising events to supporting school initiatives, their contributions have truly made a difference for our children. We are also incredibly grateful for the ongoing support from parents, carers, and staff who continue to give their time so generously.

We are delighted to introduce our new PTA committee:

## Chair

Josie

## Treasurer

Manette

## Secretary

Laura

This new team brings fresh ideas and enthusiasm, and we are looking forward to building on the fantastic work already done.

As part of this new chapter, we are pleased to share a few exciting updates:

- A refreshed look for Friends of Lawnside – including a rebrand to better reflect our vibrant school community
- A new online volunteer register, making it easier than ever to sign up and get involved in events, big or small
- Introduction of digital payment systems to simplify ticket purchases, donations, and event spending

Looking ahead to the 2026/2027 school year, we are excited to begin planning a range of events for everyone to enjoy, which may include:

**Movie Night | School Disco | Book Swap | Winter Fete**

We are also thrilled to announce the date for our **Summer Fair!**

**Friday 3 July from 15:30.** Please save the date, more details will be shared soon!

As always, Friends of Lawnside thrives on the involvement of our wider school community. Whether you can volunteer regularly or lend a hand occasionally, your support is always welcome and appreciated. If you would like to get involved or find out more, please email us or sign up via the QR code on the second page.

Thank you once again to our outgoing committee, and a warm welcome to our new team. We're looking forward to a fun and successful year ahead!

Kind Regards,
