

# Willow and Chestnut Class

## Show and Tell

Read through the activities with your child. Choose one activity a week to complete and bring to school for 'Show and Tell'.

|                                                                                                                |                                                                             |                                                                                                                                     |                                                                                                     |
|----------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------|
| Draw a picture of something you like doing or take a photo of something you enjoy doing. Tell us all about it! | Go outside and build your own den! Which autumn creatures might live in it? | Go on a sound hunt? Can you find something for every letter of the alphabet? Tell us what you found; perhaps you could make a list. | Draw a picture of a friend. Can you write their name?                                               |
| Design and make a house that an animal could hibernate in.                                                     | Draw a picture of your family. Can you label who they are?                  | Find 2 facts about autumn animals. You could write them down or print them off the internet.                                        | Draw, paint or make an animal that likes it in the Autumn.                                          |
| Make some Autumn themed biscuits. Take some photos or draw some pictures of what you did.                      | Create a collage picture of things about you. Try not to get too sticky!    | Sort your socks. Find all the matching pairs. How many can you count?                                                               | Go for a walk and collect as many leaves as you can carry. How many did you collect of each colour? |

Show and Tell will be  
every Monday, starting  
Monday 28<sup>th</sup> September
