Year 5 Homework Autumn Term – due Wednesday 21st October

Our new topics for this half term are Ancient Greece, Mixtures and Separation and Drawing – Make my voice heard. We would like you to choose at least 3 tasks to complete from the ones below. Please have fun and be as creative as you possibly can!

Spellings are set weekly through Spelling Shed. All children have logins in their reading record. We would like the children to practise their spellings at least 4 times a week at home. Spelling tests are on Mondays.

Ancient Greece

Design your own God or Goddess.
Write some facts about your God or Goddess, and create a symbol for them.

English - The Iron Man

Rewrite the first chapter of the story from Iron Man's point of view.

Ancient Greece

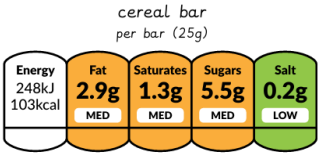

Design and make your own Labyrinth. It could be made of straws, string or wood.

PSHE

Look at some food labels in your kitchen cupboards. Which foods are the healthiest? Which foods should you have sometimes? Which foods should you have as a treat? Copy some of the labels you find and write what foods they are for.

Art

In Art, we are investigating how drawing can express emotion, movement and depth. Can you use line drawing to express an emotion?

Computing

Use Purple Mash to code a simple set of instructions. You could make a game or get an object to move around the screen when you give it a command.

Dreambox - this is an online reading platform that has been introduced this year. Please encourage your child to use dreambox at least 3x a week – this will support them with their reading comprehension.

Science – Mixtures and Separation

Put a mixture of household objects (e.g. rice, raisins, flour, etc.) together in a bowl.
Find different ways to separate these objects.
Record your findings.

Maths

Ask family members for their dates of birth.
Can you write these dates in Roman numerals?

e.g.
25.04.1965 = XXV.IV.MCMLXV
