Dear Parents/Carers,

One of our main aims this year in Key Stage 1 is to make greater use of our outdoor environment at Lawnside Academy to enrich and enhance our curriculum. We believe that learning outside provides a rich, dynamic space where children can explore the world through their senses, while also supporting their physical health, social development, and emotional well-being.

On **Monday 12th October**, Year 2 will be taking part in a dedicated outdoor learning day. The children will spend the majority of the day learning outside (weather permitting).

To ensure your child is comfortable throughout the day, please ensure they bring the following items:

- **Coat / Waterproof Jacket:** Essential for staying warm and dry.
- **Footwear:** Wellies or sturdy outdoor shoes/boots to change into for activities on the field.
- **Weather-Appropriate Headwear:** A sun hat or winter hat, depending on the weather conditions on the day.

We look forward to a fantastic day of outdoor learning and sharing some of our activities with you. Thank you, as always, for your continued support.

Yours sincerely,

Mrs Russell and Miss Williams
