Willow and Chestnut Classes

Show and Tell Autumn Term 2

Read through the activities with your child. Choose one activity of any colour to complete and bring to school for '**Show and Tell**'. If you have done something fun or interesting at the weekend we would also be happy to hear about it or see a picture/drawing, instead of choosing an activity below. **Please no toys-thank you for your support.**

We would really like to see all children participating in show and tell as it really helps to develop their speaking and listening skills.

Go for an evening walk (with a torch). Draw, take photos or write about what you see on your journey.	Can you find objects that begin with the sounds s,a,t,m,n, i, p? Can you photograph them?	Find as many numbers as you can. Write them down or photograph them?	Using natural materials (twigs and leaves), create a giant outdoors picture on the floor and take a photo!
Measure how tall your family members are. Take a photo or draw a picture to show.	Read a favourite story. Draw a picture of your favourite part.	Practise writing your sounds. How many do you know? Can you spot any sounds on your way to school?	How many cups or bowls of water does it take to fill your sink or bath? Can you write the number?
COOK: Help to prepare dinner. Can you write a list of the ingredients?	Draw a picture of your favourite fairy-tale character. Have a go at writing the name of the character.	Practise counting different objects. What did you find? Where did you find them?	Can you draw a map of your journey to school? What do go past?
