Dear Parents / Carers,

To round off our World War II topic, we are planning a visit to the Stibbington Centre in Cambridge, on **Wednesday 1st April**, where the children will be evacuees for the day!

We will aim to leave school at 9.10am and travel by coach to the Nene Valley Railway Station where we will pretend to have arrived as evacuees. We will then walk to the Stibbington Centre finding out about arriving in the countryside during wartime. During the day at the centre we will take part in different activities that will give the children a real feel for what it was like to be an evacuee. We will then return to school in time for the end of the normal school day.

The cost of the trip is £15 and has been kept as low as possible thanks to the generosity of PALS who have covered the entire cost of the coach. Please bear in mind that should we not receive sufficient contributions, the trip will not be able to go ahead.

Children will need to be dressed as evacuees – there are some ideas overleaf but please don't hesitate to ask. They will also need a packed lunch (nut and fizzy drink free please) in a disposable bag.

The Stibbington Centre does have a souvenir shop for which they advise children may bring £1. Please put that in a named envelope and hand to the class teacher on the morning of the visit.

Please complete the permission slip below and return it with payment by **16<sup>th</sup> March**

Many thanks for your continued support

# STIBBINGTON CENTRE EVACUATION DAY

## Ideas for costumes

### Information for evacuees:

Children who are being evacuated to Stibbington Centre for a day should try to dress like children did in the 1940s. These drawings show what children looked like, and the notes below give some suggestions about what you might wear.

### Clothes:

Everyone should wear: shoes, boots or wellies (not trainers)

Woollen jumper or cardigan (not sweatshirt)

Shirt or blouse (not t-shirt)

**Boys** could wear a cap or woollen hat and they should have knee-length shorts or trousers tucked into knee length socks.

**Girls** could wear a beret, headscarf or woollen hat and a knee-length dress or skirt.

On **cold or wet days** everyone should have a **warm or waterproof coat**. This is important because the programme for the day includes a walk through the “wartime countryside”. A modern coat will be fine if you don’t have an “old style” one. For very cold days scarf, gloves and thick socks are useful too.

### Other things to bring:

**A gas mask box made from a cardboard box with a string strap.**
