Pupil Absconding Policy

Purpose of the policy:

The purpose of this non-statutory policy is to set out clearly for all stakeholders, the process that will take place should a child abscond from school.

Staff are reminded to read the following school policies and practice guidelines in conjunction with this policy

- Health and Safety Policy
- Safeguarding Policy
- Behaviour Policy and Statement of Behaviour Principles
- Individual Behaviour Plans

Aim:

At Lawnside Academy we actively work to provide a secure, safe environment, a school where children want to come to enjoy learning with others as part of a caring community. We recognise that it is highly unlikely that a child will try to abscond from our school but this policy is written to ensure we are ready to deal with this eventuality should it occur. If a child has SEND needs and absconding is likely then they should have a behaviour plan.

Definition:

To abscond is to 'leave without permission'.

Under Section 3 of the Health and Safety at Work Act, 1974 and in Common Law, schools and other education settings owe a duty of care towards their pupils. This duty of care requires that all reasonable steps are taken to ensure that pupils are safe and remain within the care of the school at all times throughout the school day and during school led activities.

Where a pupil, present at registration, is found to be absent from school without authorisation the following procedures should be followed:

- Member of staff to inform head teacher or member of SLT, and school office.
- Head teacher or member of SLT to organise a search of buildings and known places that the pupil may have gone to in the school environment.
- If the pupil is not found, then all available staff to complete a more thorough sweep of the school and check the perimeter of the grounds.
- School office to phone the police when area has been fully checked if the child is not found.
- School office to contact parents/carers and inform them of the situation.
- Consideration will be given to whether the search should be extended beyond the school perimeter. This decision will be based on staff's knowledge of the child and on the levels of risk, and on what action is in the child's best interests.

- Any staff who leave school grounds to take mobile phone to contact school.
- Once a pupil has been found then the head teacher will use their professional judgement to outline the response towards the pupil and the support the pupil will need in the future.
- A written report will be filed on the incident and added to CPOMS.
- Member of SLT to brief police and parents.

Where a pupil attempts or is seen to be leaving the school premises without authorisation the following procedures should be followed:

- Member of staff to inform head teacher or member of SLT, and school office.
- Staff must follow the child to the school fence or gate and must try to persuade the child to stay in the school.

De-escalation techniques

It may help to:

Use Restorative Language (to avoid asking why they are doing something).

- *move calmly*
- *make simple, clear statements to the pupil*
- *keep your voice quiet, firm and assured*
- *lessen the threat of your presence by sitting down or allowing the pupils space*
- *talk to the pupil all the time*
- *offer comfort, reassurance and security*
- *maintain eye contact*
- *when possible, have help at hand*
- *find a way to allow the pupil to 'save face'*

It is usually unhelpful to:

- *give complex advice or instructions*
- *speak quickly and loudly*
- *corner a child or stand too close*
- *attempt to reason by asking questions*

- If by leaving the school the child is known to be putting themselves in danger, adults must exercise their duty of care and stop the child, physically if necessary.
- As active pursuit may encourage a child to leave the site and may also cause the child to panic; possibly putting him or herself at risk by running onto a busy road, staff will not chase but will try to keep a child in sight at a distance.
- The SLT lead will contact the child's parents/carers.
- If the child has left the immediate vicinity of the school grounds and is no longer visible then the police must be informed.
- If the child returns of their own volition, parents/carers and the police will be informed as soon as possible.
- Upon his or her return to school, and when the child is calm, the child must be seen by the head teacher so that the reasons for absconding may be discussed in detail. At this point a decision will be made as to the appropriateness of further actions.
- A meeting with parents/carers will be arranged.
- A written report will be filed on the incident and recorded on CPOMS.

Monitoring and Evaluation:

It is important that following an incident the issues that arise are addressed and staff must:

- Consider an individual behaviour plan for the student involved. If there is a second incident within an academic year then a behaviour plan must be completed.
- Where appropriate, talk through the incident with the student and parents/carers involved. Ensure that a record is kept of the discussion held with the student and parents/carers.
- Complete an incident form and/or an absconding record (a copy of which should be placed in the student's personal (CPOMS) file).
- Keep all colleagues informed and discuss the incident in staff meetings and/or in supervision meetings.
- Review procedures for the individual every half term to ensure appropriate control measures are in place and that all staff are fully informed.

Parents and Carers:

Parents and carers of pupils are responsible for supporting the work of the school and encouraging their children to keep to all school procedures and policies. Once school has informed the parents that their child has absconded, parents and carers are responsible for actively supporting the school with subsequent procedures and actions. This could include coming into school to help secure the safety of their child as well as meeting with a senior leader in order to agree subsequent actions.

Individual behaviour plans will be shared and signed by parents/carers.

Appendix B:

Parental Agreement (To be completed by the parent or carer)

I have read the record of the absconding incident (Appendix A).

I wish to make the following comments relating to the incident (optional):

I understand that it is always unacceptable for my child to leave the school site without permission and a repeated action of this nature might result in the school following exclusion procedures.

I understand that the following actions have been agreed in order to help my child be happy and safe in school.

I know my child needs to keep to the school rules and not leave the school grounds without permission.

I understand that there are agreed actions for all parties involved. For my part, I will support this agreement by encouraging my child to comply.
