

## **Advice Pages for Parents and Carers**

### **CEOP – Child Exploitation & Online Protection**

CEOP works with child protection partners across the UK and overseas to identify the main threats to children and coordinates activity against these threats to bring offenders to account. They protect children from harm online and offline, directly through NCA led operations and in partnership with local and international agencies.

Simple advice for parents from CEOP

### **UK Safer Internet Centre**

The UK Safer Internet Centre is coordinated by a partnership of three leading organisations; Childnet International, the South West Grid for Learning and the Internet Watch Foundation. It is co-funded by the European Commission's Safer Internet Programme and is one of the 31 Safer Internet Centres of the Insafe network. The centre has three main functions: an Awareness Centre, a Helpline and a Hotline.

- Advice on parental control systems for most Internet Service providers (ISP) and how to use them on a range of computer equipment at home.
